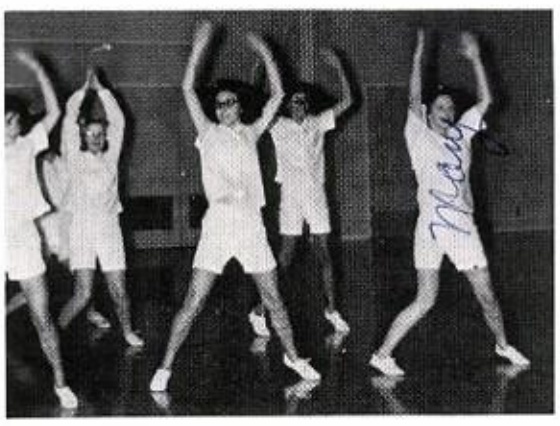
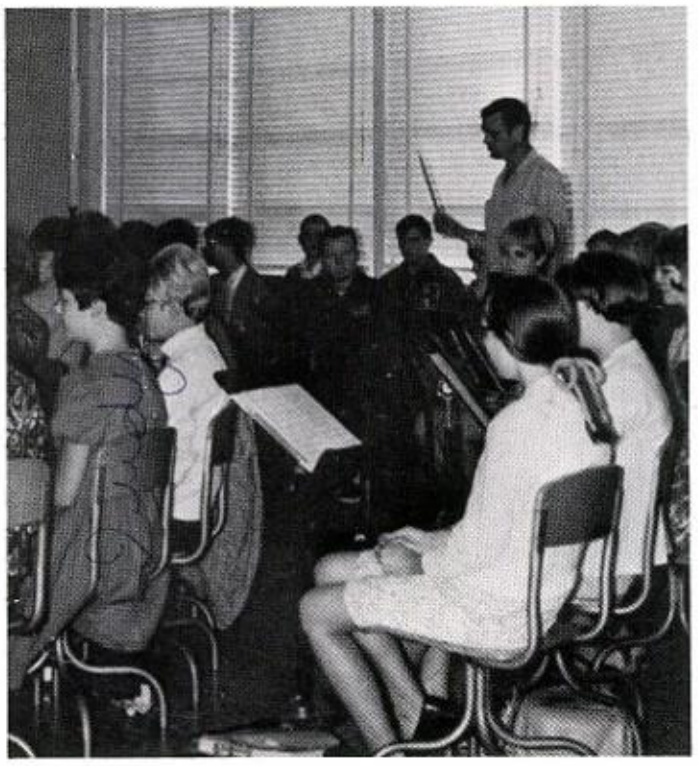
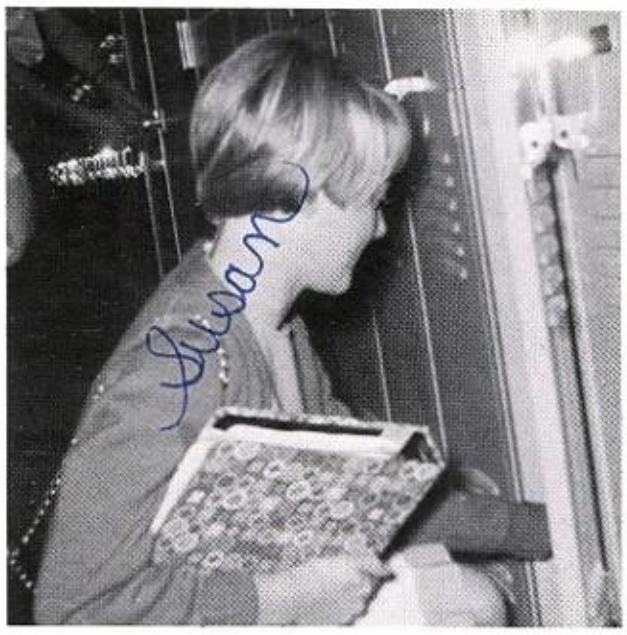
In Between . . .
We Work

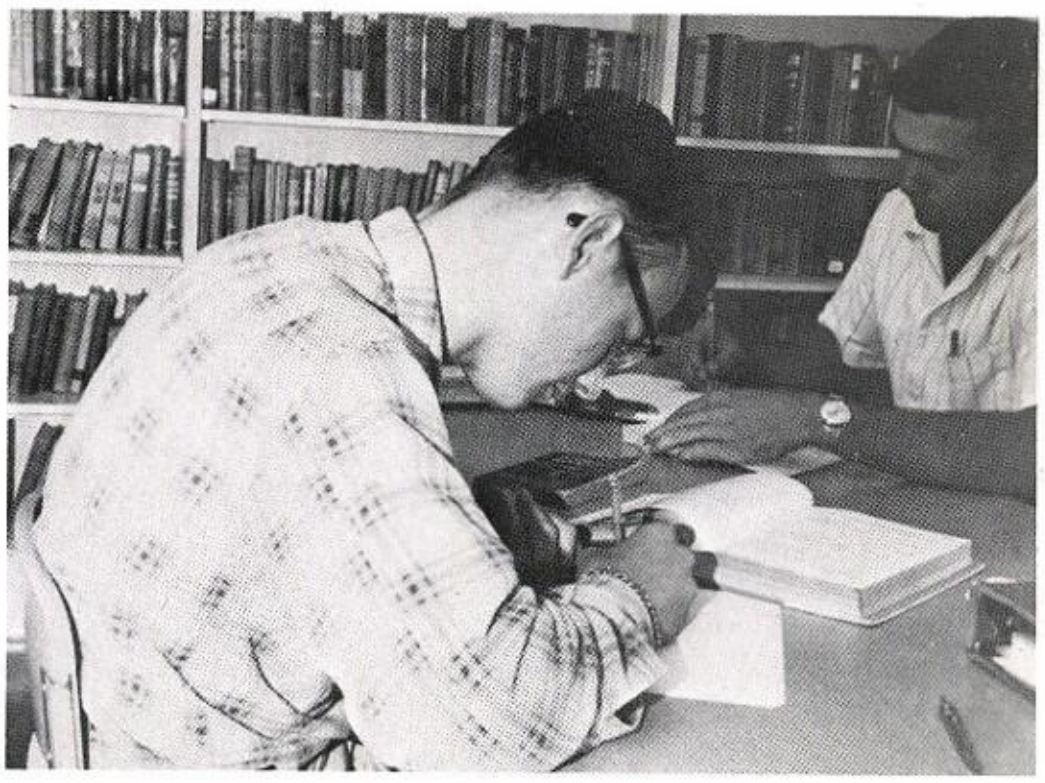
The bell rings, students rush from the parking lot, locker doors clank, books are grabbed – the day begins, Typing – Choral – P.E. Classes – Study Hall – Pep Rally. The bell sounds again, the exit begins, within minutes the car lot is empty, and all is quiet. Another day at Henrietta High school has ended.

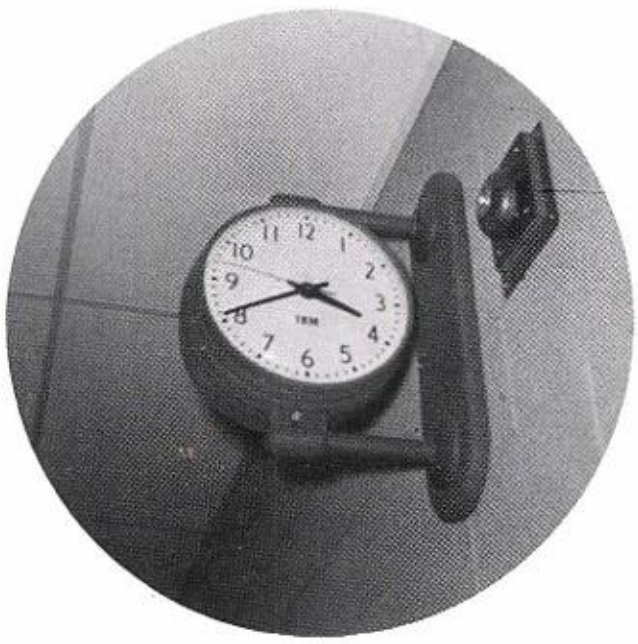


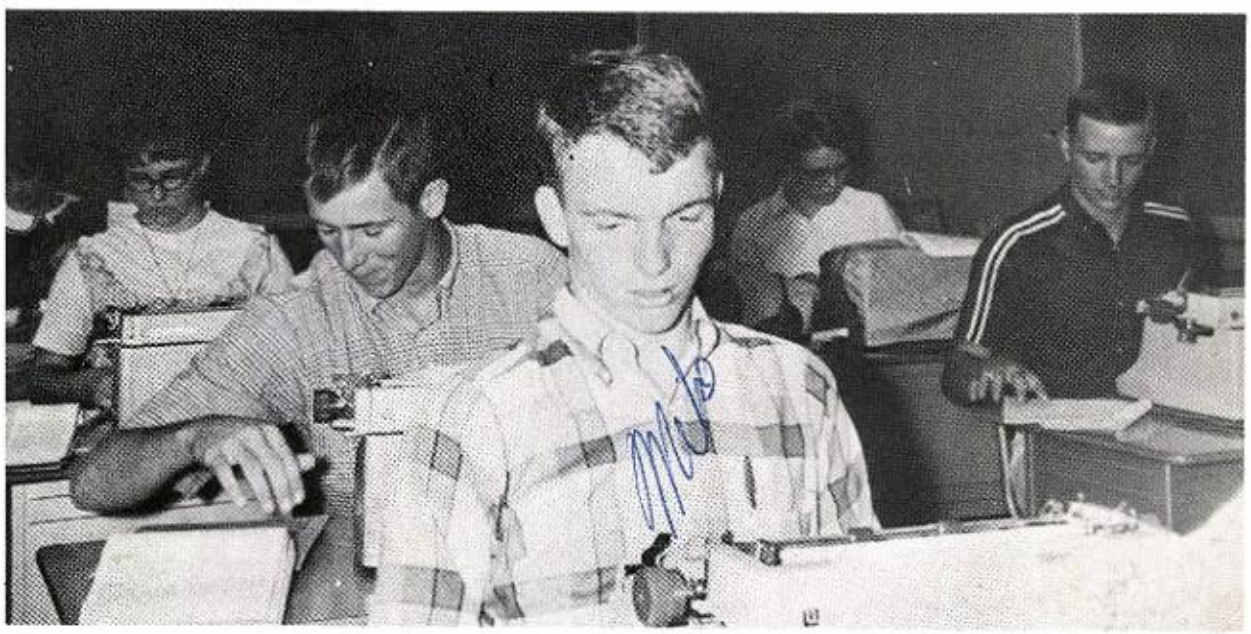




Susan







Dedication

THE BEARCAT wishes to pay a special tribute to MRS. MADGE WATSON and MRS. MAUDE DOUGLAS, two dedicated women teachers. One could not begin to count the hours and the love they have given to children. How many times they have wiped away sad tears, rejoiced in a new accomplishment like a new reader or multiplication tables, helped swing a rope at recess, tied dress sashes, tucked in shirt tails, prepared holiday bulletin boards – all this, yet at the same time they have given an excellent academic background to hundreds of little lives. Many graduates of Henrietta Independent School District lead successful lives much because these women have given of their knowledge, their untiring energy, their values.

This annual is dedicated to you, Mrs. Watson, and you, Mrs. Douglas, as a means of saying thank you for your wonderful years of service.

Board of Education

These men – many for several years – have led in the admirable progress of our school system. Their sincere interest in the community, the faculty, and perhaps most of all, the student body is evident to everyone. Our school board's aim is to provide the children and youth of Henrietta Independent School District the best possible education.

A MESSAGE FROM THE SUPERINTENDENT

Dear Students:

Congratulations to the staff and their sponsor for their excellent job of recording the activities of the 1967-68 school year. Each of us will cherish these recorded activities in the years to come.

May I challenge each student in Henrietta to prepare himself for the future, realizing that this is a highly competitive world and you will be competing with graduates from other schools in the area.

Sincerely,

Bill R. Wood
Superintendent

A MESSAGE FROM OUR PRINCIPAL

Some one has said that "the biggest room in the world is the 'room for improvement.'"

Should you then ask me to explain how this statement might affect your conduct, let me say that I pray that you will examine carefully and painstakingly the thought of others, particularly those who seek to induce you to some action which they advocate, and that you will not commit yourself to any action until you have satisfied yourself that what you propose to do is just, kind, and accurate. Then I pray that you will develop the courage to stand by your findings until they are proven to your satisfaction to be wrong.

I hope that you have enjoyed this year in Henrietta High School and that you will remember your school and faculty as kindly as they will remember you.

Sincerely,

Sherman Taylor
High School Principal

STUDENT COUNCIL

We, the members of the Student Council of Henrietta High School, in order to instill American ideals and promote the democratic principles of government in the youth of today, to aid in the solution of the problems of youth, to foster more friendly relations among pupils and teachers, and to be of the greatest possible service in our school.

Spanish Club

The objectives of the Spanish Club are several. It strives for a better comprehension of the Spanish language; and, in studying it, the members of the club have a fuller understanding of their own English language. From the vocabulary it learns of the many customs and idioms of the Spanish people. Also, while one is in that country, speaking the language of those people helps to better the relationship between this nation and theirs.

A PROUD YEAR—1968

. . . for a Freshman class president

. . . for a Sophomore basketball player

. . . for a Junior cheerleader

. . . for a growing school

. . . for the graduating class who observed it all.

Yes, it has all been observed.
Some have seen victory—
Some have seen defeat.
Eyes have been set on different
activities and different goals.

Today the seniors will go on
to broader fields, and the
sportsmanship, loyalty, friend-
ship, love, leadership,
academic achievement, which
they have witnessed in 1968
and which have bonded hearts
together with BEARCAT SPIRIT,
will set them in search of a
more meaningful tomorrow.
